## Welcome to Freedom according to Jesus

### **Introduction First**

According to Jesus, there is a following generation that is to come after Him, a birthing of sons and daughters coming out of the very things that Jesus released. We are a part of that generation.

Psalms 22 speaks of a generation coming forth. “A seed shall serve Him; it shall be accounted to the Lord for a generation. They shall come, and shall declare His righteousness.” It prophetically speaks of a generation that will come forth and walk in His righteousness, a people powerfully demonstrating what it is that the Lord can do.

A generation, a Sonship company, a chosen generation, a royal priesthood, a holy people, a peculiar people called out of darkness and into His marvelous light, as defined in 1st Peter Chapter 2. A Sonship group birthed by the Son of God.

### **A Chosen Generation!**

All the generations from Abraham to David are fourteen generations, and from David until the carrying away into Babylon are fourteen generations, and from Babylon to Christ are fourteen generations, a total of 42 generations.

In the gospel of Matthew, it clearly mentions that David was number fourteen on the generation list. Jeconias, the king who went into Babylon was number 28 on the list, but then Joseph, husband of Mary was number 40, making Jesus number 41. So who is number 42?

## **A Jesus Christ Generation**

Well 42 is this generation referred to in Romans 8:29, as those being conformed to His image. It is this Jesus Christ generation, an elect company, an “Ekklesia” called throughout all the ages, who are joint heirs with Christ who will rule and reign with Him. This seed, this offspring of Jesus, who bear His name, are the very ones who have grown up into Jesus manifesting His life and nature.

This 42nd generation has been in the making for over 2000 years. It is these ones that have conformed to the image of the Son of God, a generation of many brethren as mentioned by Paul the Apostle. A chosen generation where He the Lord has chosen them! He has selected them before the foundations of the world.

It is these ones who were not swayed by the counterfeit, or misguided by the false. It is these ones who were not caught up in denominations and world religions, but into Jesus are they led to this day. Jesus only, but their journey has not been easy, and the battle has been hard fought.

To them God has chosen to make known among the Gentiles the glorious riches of this mystery, which is Jesus in them, the hope of heavenly Father being glorified.

## **2000 Years of Divisiveness and Story Telling**

For over 2000 years, the adversary has been dividing the sons of God, fracturing them and denominationalizing them as he distorts, distracts, deceives and demonizes with a darkness, and a demonic power that is very real, which is the very stuff that this manual plans to touch on.

We were initially powerful beings full of light. What happened in the garden seriously weakened those mighty spiritual beings that God created. It was a catastrophic event. But Jesus comes and restores to us the fullness that we were always created to be.

But the adversary is relentless and he has no intentions of walking away from the battle. He has set up shop as the man behind the curtain who is now pulling all the strings. He has unleashed his demonic horde to weaken us again like he did at the garden, having us walk in the minimums whereas Jesus came to maximize us to walk in what the Father has always intended for us.

Where we have been personally fragmented and corporately ripped apart, Holy Spirit is wanting to piece it all back together. But none of that is going to happen if we are not open and transparent to the workings of the Holy Spirit. We need to allow Holy Spirit to have His way with us as He directs us into those greater freedoms.

### **Dark Forces have Affected Us All**

We really need freeing up to become that spiritual being, that being of light that we were always mean to be, to dwell in that place where we are being maximized, and no longer minimized. Whom the Son sets free is free indeed, — and our plan is to start unpackaging that today.

Dark forces have affected us all; the battle has been hard, — extremely hard in many cases. Demonic influences have been absolutely smothering and the demonic assignments have been relentless as many were steered into the minimums of who they really are in Jesus. Sidestepping us away from a powerful gospel to where we walk in the shallows.

But today, — that could all change, if you allow it!

## **Group Prayer**

### **Pray this Prayer Over the Group**

Lord, — we have prepared a place for you! We welcome you here in our midst. May your Kingdom come, your will be done so that we truly enter into the freedoms that Jesus has given us. Holy Spirit, continue your good work in us! We are here for the continuation of your good work.

Lord, we ask in Jesus name that all interference, demonic turmoil and confusion be removed from this place. We pray Heavenly Father that our hearts and minds will be protected from deception and that each and every one of us will receive a deeper revelation of the incredible love of Jesus and the freedoms that Jesus has given us! Holy Spirit, have your way with us today!

We arise today Oh Lord! We arise today through the mighty strength of the Father, we arise today through the mighty strength of the Son, and we arise today through the mighty strength of the Holy Spirit. We arise today through the strength of Christ's birth, through the strength of His crucifixion, and through the strength of His resurrection.

We arise today through God's strength to pilot us today, through God's might to uphold us today, through God's wisdom to guide us today, through God's eye to look before us today, through God's ear to hear us today, through God's word to speak to us today, through God's hand to guard us today, through God's shield to protect us today,  
SO THAT THERE MAY COME TO US . . . an abundance of reward.

Christ with us today, Christ before us today, Christ behind us today, Christ in us today, Christ beneath us today, Christ above us today, Christ on our right today, and Christ on our left today.

Father we arise today to enter into the freedoms that you have given us, those freedoms that rightfully belong to your sons and daughters!  
We arise today Oh Lord, — and we seal this prayer in the mighty name of Jesus!

## **There is No Mistaking His Identity**

The claims of Jesus are explicit, clearly expressed, and clearly demonstrated; all have been confirmed, — I am the bread of life, I am the light of the world, I am the door, I am the good shepherd, I am the resurrection, I am the Son of God, I am the Truth, Life, and the Way, Jesus is claiming titles that are rightfully His, — Son, Savior, Shepherd, Sustainer, and over 200 more!

He clearly demonstrated that He is able to conquer death, forgive sin, save the soul, and satisfy the heart forever more! For this Jesus, and who He claims to be, has become a way of life, — our way of life, our peace, our righteousness, our holiness, and our road of ministry, and the plumb line for revelation, for the Word of God expresses the Son, and the Son expresses the Word. Truth reveals the Son, and the Son reveals the Truth. Scriptures interpret the Son, and the Son interprets the Scriptures. Wisdom unveils the Son, and the Son unveils Wisdom. Father declares the Son, and the Son declares the Father.

There is no mistaking His identity. When it comes to salvation you cannot ignore Him. If you're searching for reconciliation, sanctification or redemption, to omit Him makes no sense, for He is the only completed way to the Father. He is the total package!

Look at how He is portrayed in the Gospels! In Matthew, Jesus is the King Revealed! In Mark, He is portrayed as the Redeeming One! In Luke, He is pictured as the Reconciler, and in John, He is proclaimed as a Regenerator, — one who makes all things new!

And He continues to manifest Himself in so many different ways. He is a Lion, and He is also a Lamb. He came as the Prince of Peace. He is the Rock, the Alpha and Omega, the Good Shepherd, the Bright and Morning Star, and Door of the Sheep.

He is a Greater than Solomon, the Unspotted Lamb, the True Light, the Word of God, the Vanquisher, the Wisdom of God, and Wonderful Counselor. He's the King of the Jews, the King of Israel, the King of Righteousness, the King of the Ages, the King of Heaven, the King of Glory, the King of Kings, and He is the Lord of Lords, and the list goes on and on, — over 200 to be exact.

He supplies strength for the weak. He heals the sick, cleanses the lepers, forgives sinners, delivers the captives, defends the feeble, blesses the young, serves the unfortunate, regards the aged, rewards the diligent, and beautifies the meek.

He is the Key of Knowledge, the Wellspring of Wisdom, the Doorway of Deliverance, the Pathway of Peace, the Roadway of Righteousness, the Highway of Holiness, and the Gateway of Glory, He is the mystery of the Invisible God that has become Visible.

Outside of Jesus there is no wider, deeper, greater, broader, higher dimension known. His mercy is everlasting, His love never changes, His word is as solid as a rock, His grace is sufficient, His yoke is easy and His burden is light. He was wounded for our transgressions, crushed for our iniquities and by His stripes we are healed.

Bottom line, — whom the Son SETS FREE is FREE indeed!
